

INSIDE

Read on for details about the benefits available to you as a member of the City of Chandler team. This guide is sponsored by Blue Cross Blue Shield of Arizona.

TRAVELING DOWN THE *benefit highway*

.....

This year, you have a new health plan choice, the White plan. It's an additional offering to the Red and Blue plans that you could enroll in last year, but the White plan is significantly different from the other two. In fact, you could say it's a whole new way to think about health care.

.....

As you travel with us down the benefit highway, you will need to consider which course makes the best sense to you. Carefully review this guide, attend Open Enrollment meetings and then enroll in the plan that is right for you and your family. There's a lot to think about and this guide is designed to help you understand your new options.

This guide is designed to be your roadmap. You will need it whether you are enrolling for the first time, making annual elections or changing your benefits due to a qualifying life event. Remember, once you make your annual elections, you will not be allowed to make a change unless you experience a qualifying life event. You must re enroll each year in the medical and dependent care FSA plans. If you are on the White Plan with the HSA you are not eligible for the medical FSA.

The Red, White and Blue health plans are the property of the City of Chandler's self-funded health program.

YOU MUST TAKE ACTION

Open Enrollment for 2015 is an active enrollment. This means you must take action during the enrollment period.

ROADSIDE ATTRACTION

Your benefits contributions are made on a pre-tax basis. If you would like to have these contributions made on a post-tax basis, contact Human Resources at x2350 for the appropriate paperwork (the election cannot be made through Oracle Employee Self Service). The deadline for making this change is November 16, 2014, and it will apply to the period of January 1 through December 31, 2015. If you have questions about the tax implications of this option, please consult with your tax advisor.

.....

This guide provides a general overview and summary of the City's benefit program. It is not intended to be an authoritative or exhaustive description of these benefits nor does it create any contract for, or entitlement or right to, any of the benefits described herein. In the event of a conflict, the terms of the City of Chandler's agreements with the benefit providers and the provider-supplied materials describing the coverage offered have precedence over the benefit descriptions contained in this guide.

GET MOVING *Chandler*

The City of Chandler is committed to helping you get all the information you need to know about your health status now and how you can improve it moving forward. You're in the driver's seat, traveling toward a healthy future when you take advantage of these programs.

KNOW YOUR NUMBERS — GET A BIOMETRIC SCREENING

Even if you feel healthy and great right now, what you don't know can hurt you.

That's why the City's Annual Biometric Screening is available to monitor your health by checking your:

- Blood pressure
- Blood glucose level
- Total cholesterol and HDL
- Waist circumference

This information can help you and your doctor determine your risks and mark the progress you make toward a healthier you.

MEDICARE PART D

If you (and/or your dependents) are eligible for Medicare or will become eligible for Medicare in the next 12 months, a federal law gives you more choices about your prescription drug coverage. Please refer to the insert in your enrollment packet. It verifies prescription drug coverage under all of the City of Chandler medical options is considered "creditable coverage" for your eligibility for Medicare Part D coverage.

KNOW WHERE YOU STAND — COMPLETE YOUR HEALTH ASSESSMENT

When you complete a biometric screening, you get hard data that tells you the status of your blood pressure or cholesterol levels. Then, when you complete a health assessment, you assess what lifestyle behaviors might be causing any undesirable results or confirm just how well you have taken care of yourself.

When you know where you stand — then you know what you can do to maintain or improve these numbers. A health assessment will:

- Provide you with a snapshot of your current health status
- Enable you to monitor your health status over time
- Help you evaluate your readiness to change
- Help you engage in health management
- Provide you and your dependents a health coach if you choose

ROAD SIGNS

The City of Chandler also offers a variety of tools and resources to keep you moving forward on the road to wellness. Through our Wellness programs, you and your family have access to:

- Flu shot clinics
- Health seminars
- An interactive website
- Nutrition programs
- Wellness resources
- Mobile on-site mammography
- Mobile prostate screenings
- Other screenings
- An employee discount at the Tumbleweed Recreation Center

For more information about the wellness initiatives, visit the Wellness page on **Chanweb**. The site provides details on the Wellness programs being offered and a glimpse of upcoming programs.

There is also a list of many other wellness resources. Check out what's available and take action toward building a better you and achieving your goal to live healthy. If you have any questions about the program, call ext. 2350.

Access Healthy Blue Beginnings at www.azblue.com

WELLNESS EVENTS ARE ONLINE

Make sure your spouse and kids know they can get the latest information about wellness events and resources at: www.chandleraz.gov/wellness. The Wellness Committee wants to make it as easy as possible for your family to stay informed about how the City is supporting your efforts to live healthier. As an employee, you can continue to find information — including employee-only activities — on Chanweb.

A top-down photograph of various vintage travel and navigation items arranged on a dark wooden surface. On the left is a notebook with a green cover and a piece of orange rope tied around it. To its right is a small, dark, square-shaped camera. Further right is a folded, aged map with a magnifying glass resting on it. A wooden-handled folding knife lies across the map. Below the knife is a fountain pen with a yellowish, worn handle. To the right of the map is a brass and black compass. In the bottom right corner, a circular compass rose is visible.

ELIGIBILITY

To be eligible for City of Chandler benefits, you must be a regular full- or part-time employee scheduled to work 20 hours or more per week. Your eligible dependents* can also sign up for benefit coverage if they are your:

- Legally married, opposite-sex spouse
- Dependent children:
 - Biological children
 - Stepchildren
 - Adopted children (including those placed for adoption)
 - Foster children
- Adult children until they reach the end of the month of their 26th birthday—whether or not they are married, students or eligible for other coverage (e.g., through their own employer).

* Proof of eligibility is required to add dependents. If you are legally separated or divorced you must contact HR to drop the ineligible dependent.

HIPAA NOTICE OF PRIVACY PRACTICES

The HIPAA Notice of Privacy Practices addresses how medical information about you may be used and disclosed and how you may access this information. The Notice will be provided to each person when initially enrolling for benefits in the Plan. You may request a copy of the notice at any time from the Human Resources Department. The Notice is also available on **Chanweb** under the Human Resources Division, Benefits Section.

MEMBERS OF THE CLUB

YOU AND YOUR DEPENDENTS

Use your plans wisely and you'll get the most value from your benefits. Take the time to do your research and get your family involved. You can work together as a team to come up with the solution that will meet your needs and keep your family members healthy. Remember, there are certain requirements you must meet to be eligible for coverage under the City of Chandler benefit program. Once you're eligible, you can also enroll your qualifying dependents or adult children (up to age 26) with proof of eligibility. So, sign up today and be a part of our winning team!

MAKING CHANGES TO YOUR COVERAGE

According to IRS rules, you are allowed to make certain benefit changes during the plan year only if you experience a qualifying life event. To make a change, you must notify Human Resources within 31 calendar days of the event.

Examples of qualifying life events include:

- Marriage, divorce, death of spouse, legal separation and annulment
- Birth, death, adoption and placement for adoption
- Change in employment status for you, your spouse or your dependent
- A significant cost change (up or down) in dependent care expenses
- Change in dependent eligibility due to age

Benefit changes must be consistent with the qualifying life event. For example, if you get married and decide to add your spouse to your medical plan, you cannot change medical plans. You will only be allowed to add your spouse to your plan. If you want to change medical plans, you will have to wait until the next Open Enrollment period.

SPECIAL ENROLLMENT OPPORTUNITY

The City provides a special enrollment opportunity if you or your eligible dependents either:

- Lose Medicaid or Children's Health Insurance Program Reauthorization Act (CHIPRA) coverage because you are no longer eligible, or
- Become eligible for a state's premium assistance program under Medicaid or CHIPRA.

For these enrollment opportunities, you will have 60 days — instead of 31 — from the date of the Medicaid/CHIPRA eligibility change to request enrollment in the City of Chandler group health plan. Contact Human Resources if you have any questions.

Here is what you pay per month for your coverage. As you can see, the City subsidizes a large portion of your premium.

*Per Pay Period Premiums are based on 24 pay periods (out of 26) per year. There are two pay periods per year from which no deductions are taken.

For voluntary term life rates, see the table on page 17.

THE LIGHT IS GREEN

This is your one chance each year to consider your benefit options for the coming plan year such as:

- Adding or deleting dependents
- Increasing or decreasing voluntary term life insurance
- Enrolling in a medical FSA (If you are enrolled in the White plan with the HSA, you are not eligible for the medical FSA)
- Enrolling in a dependent care FSA

To enroll or make changes, please complete your enrollment between November 3 and November 16, 2014.

ROADSIDE ATTRACTION

Have you moved recently or are you planning to move? If so, make sure you update your address using Oracle Employee Self Service. You may now include your personal email address as well. You could miss out on an opportunity to participate in valuable benefits if we don't know how to reach you. While the City can provide you with a wealth of resources, they are only valuable if you use them. And don't forget, in Oracle Employee Self Service, you can access your current benefit elections and beneficiaries, as well as important documents related to your coverage.

MEDICAL

When you travel down the health plan highway, you get the freedom to choose what works best for you and your family. Just like every road curves and bends in its own unique way, each health plan offered by the City of Chandler has its unique features. The Red and Blue plans are similar with only minor differences. The White plan is a high-deductible plan that puts you in control of your health care spending and saving. You should choose a medical plan that fits your needs and budget based on balancing the cost of:

- Payroll contributions
- Deductibles
- Coinsurance
- Copays

Generally, if you choose a plan with a higher deductible and coinsurance, your monthly premium will be smaller or you won't pay a contribution at all. Consider your family's situation in order to choose the plan that's right for you.

PREVENTIVE CARE

Under the Affordable Care Act, commonly known as the health care reform law, most preventive care services, such as annual physicals, well-child or well-baby visits or mammograms, are covered 100 percent by the Red, White and Blue plans. This means you pay nothing for that visit. You can find a complete list of preventive care services on the Healthcare.gov website.

TIPS FOR THE ROAD

It may help you to understand the difference between what counts for deductibles and out-of-pocket maximums in order to select the best plan and use it wisely.

DEDUCTIBLES	OUT-OF-POCKET MAXIMUMS
<ul style="list-style-type: none"> • The money you pay to your doctor or other health care provider, with the exception of copays and access fees • Member deductible is for those who enroll in Employee-only coverage • Family deductible is for any other tier: <ul style="list-style-type: none"> - Employee + spouse - Employee + child(ren) - Employee + family 	<ul style="list-style-type: none"> • Deductibles • Coinsurance you pay after meeting the deductible • Copays for doctor visits or prescriptions • Emergency room access fee (what you pay in addition to the deductible) • This is the safety net to protect you from catastrophic health care expenses

The White plan: The junction of spending and savings

While the Red and Blue plans are like a common intersection, the White plan better resembles a round-about. Instead of being directed to travel down a certain path, you can get on and off when it's right for you.

The first thing that sets the White plan apart is its higher deductible. When you need medical services, you will pay more before your coinsurance benefits kick in. At the same time, you make **NO CONTRIBUTION** to the plan premium in 2015. This means you

only pay for health care when you use it. And, like the Red and Blue plans, preventive services are completely covered.

The plan comes with a Health Savings Account (HSA). You and the City can make contributions to this fund to help you pay for health care expenses. The funds in your HSA will continue to grow if you choose not to use your HSA for healthcare expenses. Because you pay more out-of-pocket before benefits kick in, you'll be more inclined

to shop for the best value when you can — and this saves you and the City money.

The best part of this plan is that you're not paying for coverage you don't need. This plan lets you pay for care when you need it — instead of paying a contribution for a plan you may not use that much.

NOTE: If you discuss another health issue during a preventive services visit, you may have to pay a fee for your visit.

MAP KEY

It helps you to understand the following health plan terms so you can better understand how the plans work.

TERM	DEFINITION
Coinsurance	Your share of the costs of a covered health care service, calculated as a percent of the allowed amount for the service. You have to pay the deductible before you receive the coinsurance benefit. Your coinsurance share is higher for out-of-network claims.
Copay	A flat amount you pay when you visit a health care provider or fill an in-network prescription. For example, if you enroll in the Red plan and visit your Primary Care Physician (PCP), you would only pay the \$25.00 copay.
Deductible	A fixed amount you pay before the Red, White or Blue plans begin to pay. Deductibles are higher on out-of-network claims.
Health Savings Account (HSA)	A medical savings account available to taxpayers who are enrolled in a high-deductible health plan. The funds contributed to the account aren't subject to federal income tax at the time of deposit. Funds must be used to pay for qualified medical expenses. Unlike a Flexible Spending Account (FSA), funds roll over year to year if you don't spend them. You may not be reimbursed for expenses through the HSA unless the funds are in the account.
In-network provider	A provider who contracts with the City's claims administrator, Blue Cross Blue Shield of Arizona, and provides a discount off their regular fees.
Out-of-pocket maximum	This is your safety net in the City of Chandler medical plans that protects you from catastrophic medical expenses. Once you pay the individual maximum or family maximum, additional covered medical claims for the year are paid 100 percent by the City and you pay nothing.
Preventive services	Red, White and Blue plans cover 100 percent of preventive service visits made to in-network providers. Preventive services help you avoid getting sick in the first place. Mammograms, flu shots, prostate exams and well-baby visits are examples of preventive services. NOTE: If you discuss another health issue during a preventive services visit, you may have to pay a fee for your visit.

A SPARE *can of fuel*

HEALTH SAVINGS ACCOUNT (HSA)

When you head out on a long road trip, you might bring an extra gas can so you won't get stranded. An HSA is a savings account for health plan expenses. Like that extra gas can, it's a place where you can keep some money on hand to cover your health care expenses. With the HSA, you can pay for visits to your doctor, braces for your kids, eye glasses or anything else health-care related. And, just like a savings account at your bank, it earns interest on the account funds and is protected by the FDIC.

Once dollars are in your HSA account — they're yours forever. You don't have to use them all up in one year — instead, the funds can continue to build and grow for use in the future, including after you retire and no longer work for the City. This is why we say the WHITE plan can help you think about and plan for covering future health care needs.

NOTE: It is the member's responsibility to ensure that funds are used for qualified healthcare expenses. The City will take no liability or responsibility for monitoring, documenting or in any way substantiating the use of HSA funds.

HSA TAX ADVANTAGES

You also enjoy triple tax advantages with an HSA. You pay no taxes when you make pre-tax payroll contributions to the HSA or on interest you earn on the account. And, you pay no taxes when you use HSA funds to cover qualified medical expenses. You should know there are limits on how much you can contribute to an HSA each year. The federal government sets the contribution limits and usually adjusts them each year. For 2015, the limit is \$3,350 for individual and \$6,650 for all other tiers. If you're 55 years old or older, you can contribute an additional \$1,000/year over the individual and family limits.

CAUTION: You can take money out of your HSA any time, but you will pay penalties and taxes if those funds aren't used for qualified healthcare expenses.

To learn more about the Health Savings Account visit www.healthequity.com/hsalearn.

IMPORTANT NOTE REGARDING FSAs AND THE WHITE PLAN

If you plan to enroll in the White plan, you must have a \$0 balance in your Health Care Flexible Spending Account by December 31, 2014, to ensure a clean transition to the Health Savings Account in 2015. Pending claims and claims not yet submitted cannot be considered in determining whether the account balance is zero. The IRS doesn't allow you to have a Health Care Flexible Spending Account and Health Savings Account at the same time.

WHO IS ELIGIBLE FOR AN HSA?

To be eligible for an HSA, you must only be covered by an HSA-compatible health insurance plan, not enrolled in Medicare and not claimed as a dependent on another person's tax return. Your eligibility to contribute to an HSA is determined on the first of each month. The White plan is a qualifying plan!

WHAT KINDS OF COVERAGE WOULD MAKE ME HSA INELIGIBLE?

Any health plan that is not an HSA-compatible plan would make you ineligible for an HSA. This includes coverage under a spouse's plan which is not an HSA-compatible plan and coverage under a General Medical Flexible Spending Account or Health Reimbursement Account.

BE AWARE: Consult your tax advisor if you have questions prior to enrolling.

PLAN QUALITIES

	RED PLAN	BLUE PLAN	WHITE PLAN
Cost	Higher monthly premium, but lower deductible (see chart below)	Lower monthly premium, but higher deductible (see chart below)	No monthly premium in 2015, but highest deductible (see chart below)
Flexibility to choose doctors	Same level of flexibility to choose doctors using the BCBS of Arizona network — generally, out-of-pocket costs are lower when you use an in-network provider.		
Prescription drugs	You pay a copay when you fill a prescription with an in-network pharmacy. Refer to out-of-network pharmacy description below.		You pay the full cost of prescription drugs until you satisfy the deductible, then you pay a copay when you fill a prescription with an in-network pharmacy. Refer to out-of-network pharmacy description below.
In-network provider advantage	You save money when you choose in-network providers because you receive negotiated discounts for services.		
Prevention	Preventive service visits to in-network providers are covered at 100 percent.		
Protection	Same level of protection (all three plans feature an out-of-pocket maximum to protect you in case you and your family have unusually large health care expenses in a single plan year — if you reach the out-of-pocket maximum, the plan will pay the rest of your covered charges for the remainder of the year).

— DENTAL — *Something to* SMILE ABOUT

CHEW ON THIS

Remember, if you want to receive the deepest discounts, use a Delta Dental of Arizona PPO network dentist. (Note: PPO dentists are also members of the premier network but offer an additional discounted rate.)

Good dental health not only keeps your smile in shape, it also helps ward off other conditions. If your dentist notices signs of gum disease, it can be a red flag that an underlying condition like hypertension or anemia could be affecting your overall health. To help you stay on top of your dental health, the City offers you and your eligible dependents comprehensive dental coverage through Delta Dental of Arizona. Here are some important points to remember about how the plan works:

1 Freedom to visit any licensed dentist of your choice — While you have this freedom, use it wisely. You may pay more out of your pocket if you visit a dentist that is not part of the Delta Dental of Arizona PPO or Premier networks.

What the plan does pay is based on what it considers “reasonable, usual and customary.” This means, what it covers is determined by what a service typically costs in your geographic area.

2 Savings when you visit a network provider — The Delta Dental of Arizona plan allows you to see any licensed dental provider you choose. But, by visiting a contracted in-network PPO or Premier dental provider (your network is the *PPO Plus Premier Network*...the largest available network!), you will save money. Remember, those listed as PPO providers offer the deepest discounts and will save you the most money, followed by those listed as Premier providers. Stay in-network and save!

3 You won’t get a bill later — With the exception of your deductible and shared responsibility, participating providers accept Delta Dental of Arizona’s payment as “paid in full” so you won’t receive a bill later.

ARMED TO THE TEETH

Be sure to get any service over \$250 predetermined by Delta Dental of Arizona before you proceed. You may risk the chance of not being covered.

- Don’t get stuck paying more than you should. You may be billed for the balance of what the plan does not cover. This is called “balance billing.” Consider the following before obtaining a service:
 - Make sure the provider and facility are a part of the Premier network. If you’re not sure, call the provider or Delta Dental of Arizona directly.
 - Find out the cost for a service and how much the plan will cover. This will help you determine whether or not you will be billed later.
 - If you will have to pay out-of-pocket for a service, consider searching for a participating provider so you can receive the maximum benefit.

ROADSIDE ATTRACTION

To locate a participating provider:

- Visit www.deltadentalaz.com and select “Dentist Search” from the “Looking for a Dentist” section of the home page
- Call 800-352-6132, select Option 5 and follow the automated instructions
- Be sure to select the “Delta Dental of Arizona Premier Network” or ask your dentist

— VISION AND HEARING —

You can spot any vision problems early by practicing good eye health. To help you with this, the City of Chandler offers a vision benefit through Vision Service Plan (VSP) that covers eye exams, frames, lenses and contact lenses. Here's how it works:

- 1** Locate a provider in the VSP Signature Doctor network by calling **800-877-7195** or visiting VSP's website at **www.vsp.com**.

NOTE: You have the option of visiting a non-VSP provider, but it will typically cost you more and you'll have to pay the provider in full at the time you receive services. You must submit your itemized receipts to VSP for reimbursement within 12 months.
- 2** Contact the vision provider and identify yourself as a VSP member who is a City of Chandler employee.
- 3** The doctor will contact VSP to verify your coverage and obtain authorization for services.
- 4** VSP will pay the doctor directly for covered services and materials and you pay the difference. It's that easy! Keep in mind, if you visit a non-VSP provider, you will pay more AND you'll have to pay up front and submit a claim to VSP for reimbursement.

Remember:

- You can get new frames every two plan years
- You can get exams, new lenses and contacts every plan year
- Review the table below carefully

Here's a snapshot of your coverage under the plan.

Deductible	None	
Maximum benefit	Set by VSP	

BENEFITS	VSP PROVIDER	NON-VSP PROVIDER
Exam — one per plan year ²	\$10 copay	Plan pays up to \$50 after copay
Frames ¹ — every two plan years ²	\$15 copay in addition to the exam; covered up to \$150 allowance	Plan pays up to \$70 after copay
Lenses ¹ — every plan year ²	\$15 copay	Reimbursement ranges from \$50 to \$125 per pair depending on the type of lenses
Contact lenses vs. glasses — every plan year ²	\$10 copay for the contact lens exam. Lenses covered up to \$150 allowance; 15% off contact lens fitting and evaluation	Reimbursement ranges up to \$105 per pair depending on the type of contact lenses

¹ Only one \$15 copay is required when lenses and frames are purchased at the same time.

² Plan year begins January 1 and ends December 31.

DISCOUNT ON HEARING AIDS

VSP Vision Care offers discounts on hearing aids through its partners, TruHearing®. At no cost, you can sign up for the TruHearing MemberPlus program to receive discounts such as:

- Savings of up to 50 percent on hearing aids, based on model
- Yearly comprehensive hearing exams for \$75
- Up to three follow-up visits to get the fitting just right
- Protection from loss or damage
- Forty-eight batteries per purchased hearing aid

You can learn more online at vsp.truhearing.com or by calling 877-396-7194.

VSP DIABETIC EYECARE PLUS PROGRAMS

If you have diabetes, staying on top of your eye health is critically important. When you enroll in the vision plan, you can visit a VSP doctor as often as needed and only pay a copay for the diabetes-related services.

ROADSIDE ATTRACTION

THE *driving* FORCE

.....

The City of Chandler understands your family is the driving force behind your overall wellbeing. With that in mind, the City provides you with basic life and accidental death and dismemberment (AD&D) coverage at no cost to you to provide financial protection for your loved ones.

.....

BASIC LIFE AND AD&D INSURANCE

When you enroll in the City's benefit program, you automatically receive basic life and AD&D coverage for yourself in the amount of one times your annual salary. The minimum insurance amount is \$50,000 (if you make less than that per year) and the maximum amount is \$200,000. If your death is due to a motor vehicle accident and you were wearing your seatbelt, your beneficiary(ies) receives an additional 10% in coverage (up to a maximum of \$25,000). AD&D insurance covers you in the event you lose a limb, your sight, hearing or speech in an accident.

COMMUTER INSURANCE (GROUP TRAVEL ACCIDENT)

The commuter insurance plan offers you coverage in the event you lose your life in an accident while traveling to and from work, or traveling on City business. Your beneficiary(ies) receives \$200,000 and an additional \$20,000 if you were wearing your seat belt.

ROADSIDE ATTRACTION

Always make sure your beneficiary information for your life insurance and retirement plans is up-to-date. It's an important step in making sure your wishes are met.

When you need to go the extra mile, the voluntary term life plan through VOYA Financial, Inc. allows you to purchase additional life insurance coverage for yourself, your spouse and your children.

Coverage for you

- Available in increments of \$10,000
- Minimum insurance amount: \$10,000
- Maximum insurance amount: \$500,000 or five times your salary, whichever is less

Coverage for your spouse

- Available in increments of \$5,000
- Minimum insurance amount: \$5,000
- Maximum insurance amount: 50% of your employee amount

Coverage for your children

- \$10,000/child

Benefit amounts reduce to 65 percent of the original coverage amount when the insured reaches age 70, and to 50 percent when the insured reaches age 75. Your coverage terminates at retirement unless retiree coverage is elected. Your voluntary term life coverage is also portable. This means if you change jobs or retire, you can apply for coverage until you reach age 70.

Other benefits from VOYA

1. **Funeral Planning and Concierge Services:** Everest, an independent consumer advocate, will be available to aid you in funeral planning for yourself and eligible family members. Funeral Planning and Concierge Services provided by Everest Funeral Package, LLC, Houston, TX 77056. Services are not available to residents of all states.
2. **VOYA Travel Assistance:** You and your dependents will have access to pre-trip information and emergency personal and medical services when traveling more than 100 miles from home. VOYA Travel Assistance services provided by Europ Assistance USA, Bethesda, MD 20814. Services are not available to residents of all states.

NEW NAME, SAME BENEFITS

ING changed its name to VOYA in 2014. The transition is taking places in stages – so in some places you will see references to ING and in others to VOYA. Please don't be confused by this change. VOYA is committed to providing the same products at the same high quality you've received in the past.

ROADSIDE ATTRACTION

If you are currently enrolled and you want to increase your own or a family member's insurance, or if you are enrolling for the first time, you may need to complete the insurer's evidence of insurability (EOI) application. A separate EOI application must be completed for each person that requires underwriting. Contact Human Resources if you require an EOI.

Exceptions (only available during Open Enrollment):

- **If you are increasing your life insurance by no more than \$10,000** and the increase will keep your total amount at \$120,000 (or less), you do not need to complete an EOI application.
- **If you are increasing coverage for your spouse**, an EOI application is not required if the increase is no more than \$5,000 and the increase will keep your total amount at \$60,000 (or less) or 50 percent of your employee amount, whichever is less.

This is a summary of benefits only. Please refer to your certificate for a complete description of benefits, limitations and exclusions. Underwritten by ReliaStar Life Insurance Company, policy form LPooGP.

If you are a new hire:

- **Employee:** When you are initially eligible for coverage, you can elect up to the maximum guaranteed issue amount of \$120,000 without having to answer questions relating to your health
- **Spouse:** When you are initially eligible for coverage, you can elect up to the maximum guaranteed issue amount of \$60,000 (50 percent of the employee election) without having to answer questions relating to your spouse's health
- **Children:** When you are initially eligible for coverage, you can elect up to the maximum guaranteed issue amount of \$10,000 per child without providing proof of good health on your children

WHAT YOU PAY FOR PROTECTION

How much you pay toward the cost of your coverage depends on the amount of insurance you elect and whether or not you or your spouse use tobacco products. You only pay one premium for child coverage regardless of the number of children you cover.

VOLUNTARY TERM LIFE INSURANCE MONTHLY RATES

To calculate the monthly premium, select the appropriate table and find the correct age bracket. Age should be determined as of January 1, 2015. Multiply the "Rate per \$1,000" by the number of \$1,000 increments being purchased.

For example, you are a 35-year-old non-tobacco user electing \$25,000. Your cost is $25 \times \$0.09 = \2.25 per month.

Child* rate is 0.123 per month per \$1,000 of coverage regardless of the number of eligible children covered.											

The rates shown are guaranteed through 12/31/2015.

* Children may be covered up to age 26.

SHORT-TERM AND LONG-TERM DISABILITY

Even if you're just planning a trip around the block, it helps to be protected from the unexpected. That's what you do when you protect yourself from the unforeseen with disability insurance. If you find yourself in a situation where you can't work, the short-term disability (STD) and long-term disability (LTD) plans replace your lost income if you qualify and are a regular-status employee. For additional details on the plans, please refer to the policy under Benefits on Chanweb.

Short-term disability (STD) plan:

.....

If you are approved for short-term disability, this benefit will replace 66 2/3 percent of your pay. Benefits begin on the 60th day of disability or when all of your sick time is exhausted, whichever is later. Benefits end on the 180th day of your disability. Matrix Absence Management can help you with your STD claim. Call 866-533-3438.

Long-term disability (LTD) plan:

.....

If you are approved for this benefit and your disability continues beyond 180 days, you receive 66 2/3 percent of your pay until you are no longer disabled or you become eligible for retirement, whichever occurs first.

IMPORTANT NOTE: If you participate in a City-sponsored retirement plan or the PSPRS DROP, you are eligible for LTD.

FAMILY AND MEDICAL LEAVE

The Family and Medical Leave Act (FMLA) is a federal law that provides employees the right to take a leave of absence for family or medical reasons while maintaining job protection. It is the City of Chandler's policy to grant up to 12 weeks of family and medical leave for basic leave and military qualifying exigency leave and up to 26 weeks of family and medical leave for military caregiver leave during a rolling 12-month period to eligible employees in accordance with FMLA. Employees should contact Matrix Absence Management to file for FMLA at 866-533-3438 or online at www.matrixeservices.com.

FLEXIBLE SPENDING ACCOUNTS (FSA)

You can get on the inside track for paying fewer taxes when you sign up for a Flexible Spending Account (FSA). FSAs allow you to set aside some of your pay on a pre-tax basis and then you can use that money to pay for health care or dependent care-related expenses you would pay for anyway.

If you are enrolled in the Red or Blue plans, you can use the Health Care FSA (HCFSA) to budget for and pay qualified health expenses and you will keep the Grace Period option in your Health Care Flexible Spending Account. **You cannot enroll in a HCFSA if you enroll in the White plan.**

If you enroll in the Red, White or Blue plans, you can enroll in a Dependent Care Flexible Spending Account (DCFSA), which allows you to pay for qualified dependent care expenses.

HEALTH CARE FLEXIBLE SPENDING ACCOUNT (HCFSA)

The HCFSA is used to pay for eligible health care expenses that are not already covered by your medical, dental or vision plans for you and your qualified dependents. When you enroll, you determine how much you want to contribute per paycheck to your FSA. The amount is then deducted from your pay before federal, state and Social Security (FICA) taxes are deducted, thereby reducing your taxable income.

You are allowed to contribute up to \$2,500 a year to your HCFSA. When you have an eligible expense, you can use your debit card or file a claim to be reimbursed from your FSA. And here's the great part — you're not required to have the full amount in your account to cover an expense. As soon as you begin contributing to your FSA, you can draw on your full yearly election even if you have not yet contributed enough to cover your expenses!

DEPENDENT CARE FLEXIBLE SPENDING ACCOUNT (DCFSA)

The DCFSA is used to pay expenses related to dependent day care services for your child(ren) under the age of 13 as well as older children or adults who are mentally or physically incapable of caring for themselves. Typical eligible expenses include payments to a person providing care in a day care center, nursery school, or your home.

You may contribute up to \$5,000 a year to your DCFSA, subject to the following limitations:

- If you and your spouse file taxes separately, your maximum contribution is \$2,500
- If your spouse also has a DCFSA through his or her job, your combined contributions cannot exceed \$5,000
- If your spouse is disabled or a fulltime student, your contributions cannot exceed \$200 per month if you have one child or \$400 per month if you have two or more children

NOTE: Under the DCFSA, you must have the funds available in your account before you can submit a request for reimbursement.

ROADSIDE ATTRACTION

For your Flexible Spending Accounts (FSAs), you will need to use the ID number COC+your employee number: COC####.

PAYING FOR YOUR PURCHASES

When you enroll in the Health Care Flexible Spending Account, you will receive a special PayFlex credit card to pay your eligible expenses, including deductibles, copayments, coinsurance, prescription drug costs and your dental and vision expenses. At the time of service, simply use your PayFlex credit card to pay. The money is then automatically deducted from your HCFSA account so you don't have to file a claim form and wait to be reimbursed. It's that easy!

ROADSIDE ATTRACTION

PayFlex offers a comprehensive website for participants. Simply log in to www.healthhub.com to get information about the plan, set up your account, obtain forms, request direct deposit of your FSA reimbursements, track your claims and balances, and find plan information about eligible expenses.

You can also visit the IRS website at www.irs.gov for a complete list of eligible expenses and any limitations that apply. If you still need help, feel free to contact PayFlex directly at 800-284-4885.

Keep your receipts

You may be asked by PayFlex to validate a purchase, so it's important you keep your receipts. Under IRS rules, all payments must be validated to ensure they are for eligible health care expenses. If you cannot prove it was for a health care related expense, you may be asked to reimburse PayFlex for the expense.

RULES OF THE ROAD

Here is some important information you need to have before you decide to enroll in a flexible spending account:

- The minimum annual contribution is \$60 and the maximum is \$2,500 for a Health Care Flexible Spending Account (HCFSA) and \$5,000 for a Dependent Care Flexible Spending Account (DCFSA)
- You must re-enroll every year
- For the 2015 plan year, you can incur eligible expenses from January 1, 2015 until March 15, 2016. This allows you 14 ½ months to use your 12-month election
- Most over-the-counter medications are not eligible for reimbursement unless you have a prescription from your doctor
- Visit www.healthhub.com for a comprehensive list of drugs that are reimbursable
- If you pay for an expense and do not use your PayFlex card, submit your claims to PayFlex no later than March 31, 2016
- **You cannot enroll in the Health Care Flexible Spending Account (HCFSA) if you enroll in the White Plan.**

AN FSA IS A SMART WAY TO SAVE!

An FSA can help reduce your taxes and increase your take-home pay — giving you extra dollars for the things you really want, when you select the Red or Blue Plan.

With a salary of \$25,000 and an annual contribution of \$1,500 for health care, you could increase your take-home pay by \$341!* With a salary of \$40,000, an annual contribution of \$1,750 for health care and \$4,000 for dependent day care, you could increase your take-home pay by \$1,303!**

With a salary of \$60,000, an annual contribution of \$2,000 for health care and \$4,500 for dependent day care, you could increase your take-home pay by \$1,473!**

Examples are based on federal and Social Security tax for 2014. This may vary depending on your state and local taxes.

**Based on single filing status.*

***Based on married filing jointly with two dependents (including spouse).*

MAP YOUR *journey*

Saving early can help you reach your retirement goals so you can maintain your current lifestyle and live your dreams. The City offers you three ways to save for your retirement.

THE DEFERRED COMPENSATION PLAN

The ICMA Retirement Corporation administers the plan. Not only does the plan offer you an additional way to set aside part of your salary tax free, but now you may also set aside dollars that have already been taxed into a 457 Roth IRA option. You may want to speak with a financial advisor about the pros and cons of pre-tax and after-tax retirement savings to decide which option is right for you. You can select funds for your account investments from a robust line up of options and you have an option to open a brokerage account. The City, in partnership with ICMA, is committed to providing transparency about fees charged to your account to help pay for maintaining it. So you can count on fee disclosure notices to help you understand what is being charged and what it's being used for. Remember, there are some IRS limits on how much you can contribute to the plan.

In 2014, the IRS contribution limits are \$17,500 for those under age 50 and \$23,000 for those age 50 and older as of December 31, 2014. Please note: The IRS has not confirmed the contribution limits for 2015; therefore, the limits may change.

ARIZONA STATE RETIREMENT SYSTEM AND PUBLIC SAFETY PERSONNEL RETIREMENT SYSTEM

The City makes sizable contributions on your behalf to your retirement system. These are combined with your contributions to provide a valuable source of future income.

RETIREMENT HEALTH SAVINGS PLAN (RHSP)

Offered through ICMA Retirement Corporation, the RHSP was established by the City to assist team members in saving money for medical expenses during retirement. While you are employed, the City will contribute \$15 per pay period (\$390 per year), which will be deposited

into your RHSP account on a tax-free basis. In addition, if you have excess vacation that is subject to forfeiture, you may have vacation hours* converted to cash and deposited in your account. (Note: The deposited amount is not retirement eligible for ASRS or PSPRS.)

If you retire from the City or are approved for long-term disability benefits within 180 days of separation, and are eligible to retire at separation:

- 50% of any remaining sick leave will be deposited into your account tax-free
- With five or more years of City service, \$800 for every year of service will be deposited into your RHSP account.

It's a win-win!

**Up to 60 hours per year or equivalent as computed under the rule addressing fire personnel working more than a 40-hour workweek.*

MAP IT OUT

ICMA Retirement Corporation offers a comprehensive website that allows you to:

- View your account balance
- Manage your allocation of funds
- Look at the loan provision to borrow funds from your Deferred Compensation Account
- View information concerning the performance of various funds
- Update your personal information, such as your address and telephone number and beneficiaries. Remember, you must update your information with ICMA Retirement Corporation in addition to updating your benefits in Oracle Self Service. To get access, simply log on to www.icmarc.org and register.

RULES OF THE ROAD

The money in your RHSP cannot be used until after you leave the City.

- A “qualified beneficiary” as defined by the IRS is a surviving spouse or eligible dependent. In the event of your death, the RHSP funds can only be transferred to a qualified beneficiary. The funds cannot be left to an ex-spouse, an ineligible child, a parent, brother, sister, aunt, uncle, etc. If no qualified beneficiary exists, the remaining funds in the account are divided up and deposited equally among the plan’s open RHSP accounts.
- Always make sure the beneficiary information for your life insurance and retirement plans is up-to-date.

MAXIMIZE YOUR CITY-PAID DEFERRED COMPENSATION CONTRIBUTIONS

If you are in an employee group that is eligible for a City contribution toward your 457 plan, that amount, plus your own deferrals, will count toward the overall annual maximum for the tax calendar year. In 2014, the IRS contribution limits are \$17,500 for those under age 50 and \$23,000 for those age 50 and older. Please note: The IRS has not confirmed the contribution limits for 2015; therefore, the limits may change. If you want to have the maximum annual amount deferred into your 457 account while enjoying the full benefit of the City’s contributions, we encourage you to closely manage your account regularly. This may help you avoid reaching the maximum IRS contribution before the end of the year. If that happens, you won’t be able to take full advantage of the remaining City contributions, so consider adjusting your deferrals throughout the year to avoid reaching the annual maximum before the last pay period of the tax year.

PLEASE NOTE: The City of Chandler, the ICMA Retirement Corporation and its affiliates to include TD Ameritrade, are NOT responsible for your investment choices and/or any investment action you may take.

ROADSIDE ATTRACTION

You may be eligible to purchase prior public sector service through ASRS or PSPRS if you worked for a public sector employer before joining the City of Chandler. If so, and you purchase that service, you may be able to retire earlier than you planned and/or receive a higher monthly pension when you retire. Please call your retirement plan to inquire or go to their website for more information on this valuable option.

HAVE A *good trip*

The following extra benefits are available to you anytime during the year or as you need them, making your road trip extra special.

EMPLOYEE NETWORK DISCOUNTS

All City employees are members of the Employee Network, which entitles you to great savings and discounts at many merchants and entertainment venues. Go to www.employeenetwork.com for additional details and discounts.

AUTO AND HOME INSURANCE

The City offers group coverage through Liberty Mutual's Group Savings Plus® program, which features auto, home and other personal insurance. Because it is offered on a group basis, your coverage may cost you less than if you were to purchase it on your own.

- Valuable Possessions Coverage

Additional protection for your possessions, such as jewelry, fine arts, silver and musical instruments

- Personal Liability Protection

An additional layer of coverage that picks up where your home and auto policies leave off

- Other Personal Insurance

Includes coverage for motorcycles, recreational vehicles, motorboats and seasonal dwellings.

You also receive discounts that save you money on your insurance, around-the-clock claims service,

guaranteed rates for 12 months and much more! You can enroll for this benefit any time during the year. To obtain a free quote, call Liberty Mutual at **480-857-8662 ext. 55955**. Don't forget to ask Liberty Mutual to have your premiums deducted from your paycheck!

PET INSURANCE

Taking care of a family pet can get costly. The City of Chandler is pleased to offer you the option of enrolling in pet insurance through VPI®. VPI Pet Insurance is the nation's oldest, largest and number one veterinarian-recommended pet health insurance provider. With comprehensive plans designed to protect you financially when the unexpected occurs, affordable coverage from VPI Pet Insurance allows you to focus on providing health care for your pet rather than worrying about the cost of treatment. You can be reimbursed for veterinary expenses such as surgeries, diagnostic tests, hospitalization, prescriptions, vaccinations and more.

Now, thanks to the exclusive 5 percent group discount, you can save hundreds of dollars in VPI Pet Insurance premiums over the life of your pet. For a no-obligation quote or to learn more, call **877-PETS-VPI (877-738-7874)** and mention you are an employee of City of Chandler or

visit www.petsvpi.com and enter your employer: "City of Chandler" and you will be directed to your dedicated discount page.

EMPLOYEE ASSISTANCE PLAN (EAP)

Everyday life can be overwhelming as you juggle work and personal responsibilities — not to mention the unexpected issues that occasionally pop up. The EAP is offered through APS Healthcare at no cost to you and is a confidential counseling and referral service that is available 24 hours a day, 365 days a year. The EAP offers a wealth of resources and can help you deal with a wide range of challenges, including:

- Managing stress and anxiety
- Handling relationship issues
- Balancing work and life
- Caring for children or aging parents.

In addition to getting support over the phone, you and your family members get access to 10 face-to-face counseling visits per year per separate condition. To speak to an EAP counselor, call **800-327-2384**. For more details, you can also visit www.apshealthcare.com. Select "Members" » "APSHelpLink" » "Click here to enter APShelpLink." Enter Company Code: CHANDLER.

TUITION REIMBURSEMENT

Available to all regular employees of the City, this plan offers reimbursement for courses taken at a fully accredited school or other City-approved education programs.

NOTE: The courses or training must be in an area related to a City career field and meet the City's eligibility requirements.

For more details, refer to the Tuition Reimbursement Policy on Chanweb or call Human Resources at **ext. 2350**.

SHORT-TERM DISABILITY "GAP" PROGRAM

The STD "Gap" Program, through Colonial Life, is a voluntary benefit that gives you additional protection in the event you don't have enough leave hours to carry you through the City-sponsored STD waiting period (60 days) and/or you want another source of income during your period of disability. The STD "Gap" Program does not replace the City's STD plan. Here are some highlights of the coverage you can purchase:

- Coverage is for off-the-job illnesses or injuries
- The benefit period is three months and can begin on the first day of disability or the 14th day, depending on the waiting period you choose
- There are four waiting periods to pick from (first number is for accidents and the second number is for illnesses): 0/7 days, 7/7 days, 0/14 days, 14/14 days

- The program pays regardless of any other insurance or source of income
- You may customize your coverage to better suit your needs
- If you're between the ages of 17 and 69, you can apply for this benefit
- A payment of \$400 up to \$3,000 per month, tax-free, may be chosen (not to exceed 60 percent of your income)

The most common reasons to enroll in the STD "Gap" Program include:

- Cancer
- Childbirth
- Heart attacks
- Muscle or bone disorders
- Nervous system disorders
- Strokes

Your coverage begins on the date your application is approved and your premiums must be paid via your personal banking account, not through payroll deduction. You may keep the coverage until you reach age 70 without an increase in what you pay for it. Also, if you leave the City, you can keep your coverage.

NOTE: Claims are handled directly by Colonial Life and not through the City.

To obtain a free quote, call the City's Colonial Life representative at **602-478-4776**.

LEGAL SHIELD AND IDENTITY THEFT SHIELD

This voluntary benefit is offered through Legal Shield. As a plan member, you and your family will have access to a nationwide network of law firms to assist you with your day-to-day legal needs for a special group discounted rate. Also available to you at a discounted rate is the Identity Theft Shield. Included with your plan benefits are:

- Unlimited telephone consultations
- Legal contract and document review
- Letters written on your behalf
- Preparation of a will and living will
- Help with moving traffic violations
- Assistance with debt collection/credit issues
- Help with mortgage, refinance or short sales
- Trial defense services
- Continuous credit monitoring and identity theft restoration
- And much more

You can enroll in these plans any time throughout the year. To enroll, simply contact the City's Legal Shield representative at **602-617-3209** or enroll online at **www.legalshield.com/info/chandleraz**. Your payments for these plans are made directly to Legal Shield.
